Area of Interest

Artificial Intelligence | Machine Learning & Deep Learning | Computer Vision | Software Development

Education

Bachelor of Technology in Artificial Intelligence and Data Science **2023-2027**

- National Engineering College, Kovilpatti
- CGPA: 7.81 (Till 7 sem)

HSC

- Kamlavati Senior Secondary School **2022-2023**
- Percentage: 75.6%

Projects

- **Transaction Trail Visualizer:** Developed a high-perform ance, web-based analytical tool designed for financial investigators and fraud analysts to trace complex money laundering patterns. The application transforms flat transaction data into interactive, hierarchical flow diagrams, enabling the rapid identification of layering,structuring, and circular fundmovements.
- **AI NoteTaker:** Developed an intelligent desktop meeting assistant and automated transcription platform built with Python and Tkinter. Engineered an audio loopback pipeline using Stereo Mix to capture pure system audio from virtual meeting platforms (Zoom, Teams, Google Meet, YouTube) without microphone feedback. Implemented real-time, threaded speech-to-text processing paired with YOLO computer vision for participant detection, storing synchronized timestamped logs. Integrated Google's Gemini 2.0 Flash API to automatically parse meeting transcripts into structured summaries, key decisions, and actionable tasks.

Internship

Office of the Superintendent of Police,Thoothukudi

Crime Flow Analyzer:

Developed a full-stack, interactive Business Intelligence (BI) dashboard designed for law enforcement (Thoothukudi District Police) to visualize and analyze crime patterns. The system transforms raw data from Google Sheets into actionable intelligence using a custom-built Node.js backend and a dynamic JavaScript frontend, featuring advanced cross-

Technical Skills

- **Programming Languages**: Java, Python, C, SQL
- **Technical Skills**:Data Analysis,Data Visualization,Machine Learning

Achievements

- Won the Tech Trials coding event conducted by PSG College of Technology
- Finalist of “INTELLINA HACKATHON” Conducted by Coimbatore Institute of Technology.
- Certifications: Java Beginner to Master – Udemy
